# Grateful Hearts

An Opportunity to Thank Great Teachers and Staff

Are you wondering how to thank that exceptional teacher, counselor, or principal who has made such a difference in your child's life, or who has inspired you? Maybe a bus driver, coach, cook, or other school staff member has made your child's school year memorable. Whoever has done special work to make learning fun, can be honored or remembered with a "Grateful Heart" gift for all they have done.

A monetary gift of any amount can be made in honor of that important school staff member or teacher. All gifts will be used for "Great Classroom" grants which will benefit students in our school classrooms. Whether it is \$10 or \$10,000 dollars, your gift says thanks for a job well done.

It is so easy to do and is tax deductible. A personalized card will be sent to the teacher or staff person you wish to honor with your message of thanks. Their names will be listed in the annual report and on the website.
