ANNUAL REPORT

# EMPOWER

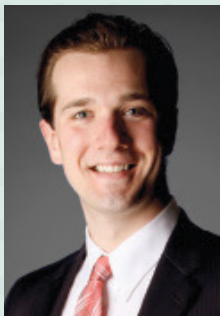

New Albany Floyd County  
Education Foundation

O

n behalf of the board and staff of the New Albany Floyd County Education Foundation, we are pleased to present this Annual Report to the community for the 2019-2020 fiscal year. As the only not for profit focused solely on strengthening public education in Floyd County, we could not do it without your support.

Although the school year ended in an unexpected way, we have so much to celebrate as we look back at a record successful year. Nearly \$100,000 in Great Classroom Project funding was distributed to classrooms across the district, free books were delivered, meals were provided to students in need, and record donations were received during our annual NAFCS Staff Giving Campaign and at our 2020 Education Celebration Gala.

We are only as strong as the community which supports us. We are grateful for our community partners, mentors, volunteers, donors, teachers and staff who helped make the past year a huge success. As we look ahead, we are committed to continuing to empower students and teachers to succeed through a strategic partnership with our district. Thank you for your continued support.

# GREAT CLASSROOM PROJECTS

We know the exceptional educators in NAFC schools give all they can to make sure their students succeed. To help them along in their effort, we are proud to offer the opportunity for any educator in the district to apply for up to \$500 a year in Great Classroom Project funding. These projects are used to provide additional resources to creative teachers for learning opportunities that enhance the educational and curricular objectives of their classrooms.

- In the 2019-2020 school year the foundation funded \$95,000 in Great Classroom Projects
- 126 individual classroom projects
- Nearly \$800,000 to date

# JUNIOR ACHIEVEMENT

Junior Achievement of Kentuckiana is the region's leading provider of life-changing economics programs for students. During the 2019-2020 school year, the entire 5th grade student body, about 900 students, participated in Junior Achievement's BizTown and the entire 7th grade student body, about 900 students, participated in JA Finance Park through funding from the Education Foundation. The Education Foundation is proud to send our young entrepreneurs through this program every year.

JA BizTown is a state-of-the-art interactive free enterprise laboratory located in Louisville where students play real life roles as citizens of their very own mini town.

JA Finance Park is a month-long economics education program which culminates with a visit to a simulated city where students put into practice what they've learned about economic options and the principles of budgeting.

**All NAFCS students are sent through Junior Achievement in Memory of James Robinson.**

## IMAGINATION LIBRARY

Celebrating its 10th birthday in October 2019, Dolly Parton's Imagination Library of Floyd County continues to give the gift of reading to the children of our community.

Each month a book in the mailbox of participating children signals hours of family reading. Each book takes the child closer to becoming an independent reader and a lifelong learner who loves books. Each community organization who supports the program through funding, promotion or registration insures the sustainability of this program. Each parent who regularly reads an Imagination Library book to a child prepares him or her to be ready to take that all important first step into the kindergarten classroom.

All Floyd County children under the age of five are eligible. Go to [imaginationlibrary.com](http://imaginationlibrary.com) to register online. You may also call the Imagination Library's local office at 812-542-4001 or email [bking@nafcs.k12.in.us](mailto:bking@nafcs.k12.in.us) to request a brochure or for more information.

# EDUCATIONAL TOURS

The Foundation is proud to provide funding to elementary students for admission and transportation to numerous educational tours to local historical and cultural experiences. This past year, due to unexpected early closings, our elementary students were only able to make trip to the Louisville Zoo, Ogle Center, and Division Street School. Elementary students during a traditional year would also take tours to Scribner House, Culbertson Mansion, Town Clock Church, and Corydon State Capitol.

*These field trips are made possible by funding from:*

# GREAT ARTS PROJECTS

We were proud to partner, for the third year, with the Fund for the Arts to offer \$10,000 in new grant funding to bring arts experiences into NAFC classrooms. Through this funding, community arts partners like Commonwealth Theatre, Louisville Visual Arts, Center Stage, Commonwealth Theatre, and Kentucky Shakespeare were able to bring high quality arts experiences into our schools. We were pleased to share 13 new arts experiences this year!

# Blessings in a Backpack

*Feeding The Future Of America®*

The NAFC Education Foundation is an official partner with the Floyd County Chapter of Blessings in a Backpack. This group of volunteers is dedicated to making Floyd County a “hunger free zone” for all elementary school children. In conjunction with the national Blessings in a Backpack organization, the Floyd County Chapter aims to make sure that approximately 1,600 NAFC school children who rely on the federal free and reduced lunch program for their weekly meals, don’t go hungry on the weekend when school is closed.

Once a week for 40 weeks of the school year, volunteers pack backpacks of food to send home with eligible NAFC students. This food keeps hunger pangs at bay so the students can return to school Monday morning nourished and ready to learn. \$105 a year will provide hunger-free weekends to a child in need.

Floyd County’s Chapter of Blessings in a Backpack is one of the largest in the country, having made the commitment to create a county-wide hunger free zone by providing food to pre-K through 4th grade students in need at all 9 elementary schools, Children’s Academy Early Learning Center, and 5th grade students at all 3 middle schools.

## 1ST YEAR TEACHER GIFTS

Many Education majors finish college and move into their first positions as teachers with little to no help. Can you imagine being responsible for purchasing the numerous supplies and material needed for a classroom with 20-30 students? This is why the Education Foundation chose to award 40 educators, new to NAFCs, with \$100 gift cards for education supplies. Teachers face hundreds of dollars in out of pocket expenses to provide for their students. The Education Foundation is proud to facilitate a smoother transition into becoming a NAFC educator.

# LEAVING A LEGACY

During a Strategic Planning session in 2018, the Education Foundation's Board of Directors identified a priority to reconnect with our outstanding alumni from New Albany High School and Floyd Central High School. With a desire to create a free living repository of alumni contact information, while keeping graduates up to date on alumni, NAFC School Corporation and Education Foundation news and events, the NAFC Alumni Nation was born. Our Nation is for alumni, community members, businesses, students, staff, friends, family and supporters of our teachers and students. It's a way for you to stay connected and get involved.

From Alumni to Legacy Builder - Legacy NAFC is the official alumni support group recognized by NAFC Schools. Gifts to this Annual Membership Campaign allow the Foundation to provide for the emerging needs and challenges of all NAFC classrooms. These unrestricted funds give the Foundation the flexibility to meet the greatest needs of our students, while allowing you to support the schools which made you! A membership to Legacy NAFC is one way to maintain a lifelong connection to your Alma Mater and help to strengthen our community.

While membership provides essential support for the Foundation, it also gives alumni various ways to stay connected. Members also receive exclusive benefits – from reserved parking at athletic contests, to tickets to our annual Education Celebration Gala, to special incentives.

Please visit <https://nafcalumni.nationbuilder.com/> for more information and to become a supporting member.
