

The Core – August 2020

A monthly e-newsletter from the New Albany Floyd County Education Foundation

Subject: Welcome Back NAFCS Teachers and Students:

WELCOME BACK TEACHERS AND STUDENTS

Although NAFCS classrooms look and feel different this year, one thing will remain the same: the care, love, attention, and excellence in teaching every educator and staff member will show our students. In this unprecedented year it's our responsibility as a community to come together to lift up and support our schools. As this school year opens, the Education Foundation would like to thank our teachers, families, community partners, administrators, and investors for helping us to continue to make an impact. We are wishing our entire NAFCS family a safe, health, and happy year!

\$25,000 IN CLASSROOM RESOURCES FUNDED TO START THE SCHOOL YEAR

This month, the NAFC Education Foundation awarded \$23,000 to 92 NAFCS teachers through our Great Classroom Project grant opportunity. Teachers may apply for \$250 towards classroom resources and COVID-19 response resources. The Foundation has committed \$75,000 to Great Classroom Projects this year and will continue to fund classroom needs until all funding is distributed. Great Classroom Projects were started in 2009 to provide additional resources to creative teachers for learning opportunities that enhance the educational and curricular objectives of their classrooms. Since that time, over \$800,000 in classroom resources have been put into the hands of teachers and students in all 16 NAFC schools.

1ST YEAR TEACHERS RECEIVE \$100 EACH

We were proud to award 39 new NAFCS teachers \$100 gift certificates to Teachers Pay Teachers for resources for their new classrooms! Our new teachers were thrilled with this small gift to help take some of the burden off of their personal classroom expenses. These gifts were made possible by generous donors like **YOU!**

THANK YOU, ADMINISTRATORS

Our school administrators and staff have been hard at work over the summer preparing for the year ahead. We are so grateful for their dedication to our students and to this community. Through the generosity of German American Bank, we were able to provide lunch too all central administration employees over the summer. Thank you, GAB!

GREAT GOLF RESULTS!
