Helping YOU Make Good Schools GREAT!

Welcome Back Students, Teachers, and Families!

The beginning of a school year is always a busy time with exciting learning opportunities on the horizon. Over 12,000 students and teachers will once again fill the classrooms and halls of our outstanding Floyd County schools. As this school year opens, the Education Foundation would like to thank our teachers, families, community partners, administrators, and investors for helping us to strengthen our schools and our community. Have a wonderful year!

Consider giving a gift to the NAFC Education Foundation in your will or living trust.

THANK YOU TO OUR SPONSORS!!!

The 5th Annual Play FORE! Education Golf Scramble at Champions Pointe Golf Club on July 19th, 2013 raised \$58,000 for NAFC Schools! Proceeds will fund our Great Classroom Project Initiative for the 2013-2014 school year. Thank you to all of our wonderful community partners, volunteers, and committee members who made this year a record for fundraising!

A List of NAFC Schools Needs

Welcome Back!

We hope you had a wonderful summer with your family and friends! Our teachers and students had a break, but our school's needs did not!

With your support, we hope to fulfill these needs in our local schools. It's not possible without your help. Please continue to read each issue and to share them broadly with your family and friends.

Teachers and Administrators:

We ask you to think about REACH at the beginning of this school year. We would love the opportunity to help you. Please send us your requests, and we will post them with the hope of connecting with willing volunteers in our community.
