Helping YOU Make Good Schools GREAT!

What an incredible school year our children have had! **All of our teachers and educators have put so much work into ensuring the success of our children. We would like to do something special for them.**

Registration is now
OPEN for the
5th Annual

Friday, July 19th

The New Albany Floyd County Education Foundation's single goal is to ensure the success of our students. We do that through our donors by providing resources for our teachers and children. We provide funding for educational opportunities like Great Classroom Projects. \$500 in Great Classroom Project funding is available to any NAFC teacher for additional resources and teaching materials for their classroom. **In just three years, our teachers have received \$200,000 from the Education Foundation for engaging and creative resources for their classrooms.**

If you would like to honor our retiring teachers or any of the great educators in our school system, please consider making a Grateful Heart Gift in their name. That special person will receive a card with a hand written note thanking them for their service and letting them know a donation to the Foundation had been made in their name. Any amount will help our children and 100% of your gift will go towards funding future Great Classroom Projects for our teachers. ***Just request a Great Classroom Project Brochure at the front office of any NAFC School or follow the link below to print your own:***

Our teachers have given an incredible amount of work and time to this community to help produce amazing young learners. Won't you help us thank them by honoring them with a Grateful Heart Gift in their name?

Consider giving a gift to the NAFC Education Foundation in your will or living trust.

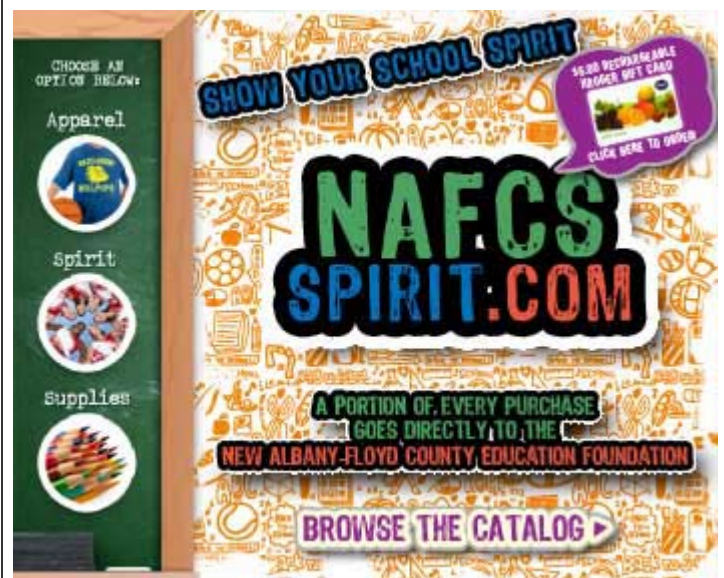

If you believe in our cause, but don't want to part with a monetary gift today, a gift in your will or trust may be the perfect donation option for you.

Help our young students this year by supporting one or more of these REACH initiatives. Whether you are giving your time, your money or some much needed materials, you can be sure you are making a real difference for the children in our schools!

received more than \$5,000 from Kroger from the use of Education foundation Kroger Cards?

If you purchased a Kroger Card at the Education Celebration! or at any other time, don't forget to continue to load your card when you buy groceries or gas at Kroger and JayC. Simply tell the cashier you would like to add money to your Kroger Card before you start the check out process. **Every time you continue to use your Education Foundation Kroger card, our schools get 4% cash back!**

Let's do the math. If a family spends an average of \$100 a week on groceries, over the course of one year, the Education Foundation would receive \$208 from Kroger.

\$208 per family x 1000 families = \$208,000 a year!!!

Raising money for our children has never been easier, and at no cost to you! If you would like an Education Foundation Kroger card please contact Tyler Bliss at 812-542-2228 or TBliss@NAFCedFoundation.org.
