### A Once in a Lifetime Dinner

Josh Dallas, Star of ABC's *Once Upon a Time* Dines for NAFC Schools

Last February at the Education Celebration! a private dinner for 10 was auctioned off with guest of honor Josh Dallas. Josh is a NAHS graduate and proud supporter of the NAFC Education Foundation. The dinner was a huge success! We would like to thank Josh for his generosity in helping raise funds for our NAFC schools.

### Pigs 4 NAFC Kids on Parade!

Starting today through January 1st, 40 painted piggy banks that have been created by local artists and school children are on display throughout local businesses in Floyd County. The piggy banks will then be auctioned off for sale at the Education Celebration! fundraising event at Huber's Plantation Hall on Friday, March 8th.

**Help support our schools by feeding our piggy banks with lots of their favorite food...money!**

All proceeds will go towards funding innovative education initiatives in our New Albany Floyd County Schools! Thank you to our local businesses who have adopted a pig!

## It's Not Too Early to Start Thinking About Holiday Gifts!

### Give a NAFC Teacher the gift of THANKS through a Grateful Heart Gift!

Are you wondering about a creative holiday gift to thank an exceptional teacher, counselor, or principal who has made a difference in your child's life? Maybe a bus driver, coach, cook, or other school staff member has made an impact by making your child's school year memorable. This special person can be honored or remembered with a "Grateful Heart" gift for all they have done through the NAFC Education Foundation.

A monetary gift of any amount can be made in honor of that

# REACH

A List of NAFC Schools Needs

## Happy Thanksgiving

We would like to take this opportunity to express our thanks to our community of volunteers who continue to step forward in support of our area schools. In the last four years, we have been able to reach many schools and hope that only continues in the years to come. Without your gracious help, it simply wouldn't be possible.

Are you aware that your donations of time, materials and talent have helped satisfy these needs (among others): math and fraction equipment needed for a classroom, library volunteers, musical instruments, athletic uniforms, assistance with the Blessings in a Backpack program, items for a clothes closet, and books for school libraries. What a difference you have made!

As you begin to think about the holidays again this year...please give some thought to the items on our newsletter and see if there are ways that you may be able to fulfill some needs within our schools. Further, please continue to forward our newsletter on to your family and friends. The more people we can REACH, the more help we can provide.

important school staff member or teacher. A personalized card will be sent to the teacher or staff person you wish to honor with your message of thanks. In addition, their names will be listed on the Education Foundation's website. All gifts will be used for "Great Classroom Project" funding which will benefit students and teachers in New Albany Floyd County classrooms.

Whether it is 1 or 1,000 dollars, your gift says thanks for a job well done. It is so easy to do and is tax deductible.

Forms can be found at any Floyd County school or online at [http://nafcedfoundation.org/files/Grateful\\_Hearts\\_Rack\\_Card.pdf](http://nafcedfoundation.org/files/Grateful_Hearts_Rack_Card.pdf)

Again, thank you for your continued support of REACH. It is a real gift to us to see it grow!
