

**CELEBRATING A \$5 MILLION  
INVESTMENT IN OUR STUDENTS**

**2018 | ANNUAL REPORT**

New Albany Floyd County  
Education Foundation  

On behalf of the board and staff of the New Albany Floyd County Education Foundation, we are pleased to present this Annual Report to the community for the 2017-2018 fiscal year. This past year marked a momentous occasion in the Education Foundation's history: \$5,000,000 has been raised to support the students, teachers, and schools in Floyd County... a remarkable accomplishment!

Consider what \$5 million has done for our children: initiated full day kindergarten, funded \$600,000 in teacher grants, provided over 300,000 free books, fed needy children, made annual field trips possible, awarded scholarships, and so much more.

This is our community at its best; advocating, investing, and raising up our public schools so that our youth may have the opportunity to reach their highest potential, despite many challenges. At the New Albany Floyd County Education Foundation, we promise to continue to lead the way.

Throughout this report you'll find the details of your outstanding support in action. Every student life impacted by the Education Foundation is made better by YOU. Let's celebrate a \$5 million investment in our children's future and let's strive for millions more.

# Great Classroom PROJECTS

We know the exceptional educators in NAFC schools give all they can to make sure their students succeed. To help them along in their efforts, we are proud to offer the opportunity for any educator in the district to apply for up to \$500 a year in Great Classroom Project funding. These projects are used to provide additional resources to creative teachers for learning opportunities that enhance the educational and curricular objectives of their classrooms.

In the 2017-2018 school year the Foundation funded \$85,000 in Great Classroom Projects with more than 170 individual classroom projects!

**\$600,000 GRANTED!**

Since the granting began in 2010, more than half a million dollars in resources have been implemented into classrooms thanks to great classroom projects!

Thank  
YOU!

# Junior ACHIEVEMENT

Junior Achievement of Kentuckiana is the region's leading provider of life-changing economics programs for students. During the 2016-2017 school year, the entire 5th grade student body, about 900 students, participated in Junior Achievement's BizTown and the entire 7th grade student body, about 900 students, participated in JA Finance Park through funding from the Education Foundation.

JA BizTown is a creative hands-on program designed to respond to employer and community leader concerns that students lacked basic understanding of the economics and life skills needed for future roles in the workplace. The program combines a four-week classroom curriculum with a state-of-the art interactive free enterprise laboratory located in Louisville where students play real life roles as citizens of their very own mini town.

JA Finance Park is a month-long economics education program that introduces personal financial planning and career exploration to 8th grade students. Classroom teachers deliver financial literacy basics during a four-week period, then students visit JA Finance Park to put into practice what they've learned about economic options and the principles of budgeting.

All NAFCS students are sent through Junior Achievement in memory of James Robinson.

## Imagination LIBRARY

For over 3,700 children in Floyd County, Dolly Parton's Imagination Library introduces a love of reading

Through the generosity of community partners, Imagination Library delivers a free book in the mailbox each month to children until they reach their fifth birthday, a total of 60 books. With a variety of high quality, age-appropriate books to choose from, parents keep their children engaged in book after book, month after month, year after year. Long before children enter school, they are preparing to learn to read with the help of their parents and the Imagination Library books.

Go to [imaginationlibrary.com](http://imaginationlibrary.com) to register online. You may also call the Imagination Library's local office at 812-542-4001 or email [bking@nafcs.k12.in.us](mailto:bking@nafcs.k12.in.us) to request a brochure or for more information.

# Blessings in a Backpack

Feeding The Future Of America®

The NAFC Education Foundation is an official partner with the Floyd County Chapter of Blessings in a Backpack. This group of volunteers is dedicated to making Floyd County a “hunger free zone” for all elementary school children. In conjunction with the national Blessings in a Backpack organization, the Floyd County Chapter aims to make sure that approximately 1,200 NAFC school children who rely on the federal free and reduced lunch program for their weekly meals don’t go hungry on the weekend when school is closed.

Once a week for 38 weeks of the school year, volunteers pack backpacks of food to send home with eligible NAFC students. This food keeps hunger pangs at bay so the students can return to school Monday morning nourished and ready to learn. However, the impact goes beyond that day. **For as little as \$100 a year, donors can provide hunger-free weekends to a child.**

Floyd County is the only community in the country that has made the commitment to make the entire county a hunger free zone, providing Blessings in a Backpack across all 9 elementary schools and Children’s Academy Early Learning Center.

## Our Mission

The New Albany Floyd County Education Foundation is an independent fundraising organization providing impactful resources and experiences to the students and teachers of Floyd County public schools.

## Our Vision

The New Albany Floyd County Education Foundation seeks to be the recognized, endowment-driven funding facilitator for the educational achievement of students and teachers, through investing in the future of our schools and the Floyd County community.

# Hometown HERO

Josh Dallas is a national celebrity who has been featured in blockbuster movies and prime time television series, but this Hollywood star hasn't forgotten his roots. Josh continues to give back to the schools which have impacted his life. Originally made famous by his role as Prince Charming in ABC's hit prime time TV series, Once Upon a Time, Josh will now be starring in a brand new series on NBC called *Manifest*.

Josh has annually donated a gourmet dinner with himself as the guest of honor. This once in a lifetime item has been auctioned off at the annual Education Celebration! in March. Josh has also generously personally matched the winning bid amount each year. To date, this item alone has brought in over \$30,000 for NAFC kids. A graduate of Mt. Tabor Elementary, Scribner Middle School, and New Albany High School, Josh believes in supporting the schools which gave him his start. He continues to be a strong advocate for our cause and we thank him deeply for his ongoing support!

## 1st Year Teacher GIFTS

Many education majors finish college and move into their first positions as teachers with little to no help. Can you imagine being responsible for purchasing the numerous supplies and material needed for a classroom with 20-30 students? This is why the Education Foundation chose to award 26 first year classroom teachers with \$100 gift cards to the Your Education Supply Store. Teachers face hundreds of dollars in out of pocket expenses to provide for their students. The Education Foundation is proud to facilitate a smoother transition into becoming a NAFC educator.

## Scholarships

The NAFC Education Foundation was honored to award their 6th annual college scholarships to six graduating seniors who each received \$1,000 toward college tuition. These scholarships were made possible, in part, by Teachers Credit Union.
